AIR HOSES

Grip-Rite® Flex-Rite™, Polyurethane, PVC & Rubber

A key component of the RED System, Grip-Rite air hoses are the answer when contractors want quality and value from a brand they know and trust. Grip-Rite® Flex-Rite™ is the latest addition to the time-tested lineup of polyurethane, PVC and rubber hoses from Grip-Rite.

Polyurethane Air Hoses

The Grip-Rite Premium Braided Polyurethane Air Hose is made of the lightest material on the market while remaining durable and flexible in all conditions. Jobsite tested and proven, this hose is ideal for roofing and construction applications while remaining field repairable. With a six-ball coupler and plug included, this flexible and lightweight hose is project-ready right out of the package. All Grip-Rite hoses are backed by a 1-year warranty and a 30-day satisfaction guarantee.

- 200-900 PSI (4.25:1 burst ratio)
- Field repairable
- Flexible and lightweight
- Swivel fittings, 6 ball coupler and plug included
