**NEW!** PrimeGuard® Nano Coating  
Innovative Weather Protective Nanotechnology

### PrimeGuard® Nano Coating LIFETIME WARRANTY

Corrosion-resistant coating designed with innovative nanotechnology that seamlessly seals and adheres for the highest level of protection against environmental elements. Coating is guaranteed for the lifetime of the project when properly used in certain wood applications, including treated lumber.\*

**Grip-Rite® DeckForce® Exterior Screws** are not suitable for use in coastal regions, around pools with cedar wood or other similar applications; for best results in these instances, use **Grip-Rite® PrimeGuard Max® Stainless Steel Fasteners**.

\*Warranty limited to coating only. Visit [grip-rite.com](https://grip-rite.com) for full warranty details, information, and limitations.
