

NINJA®

STARTER CLIP

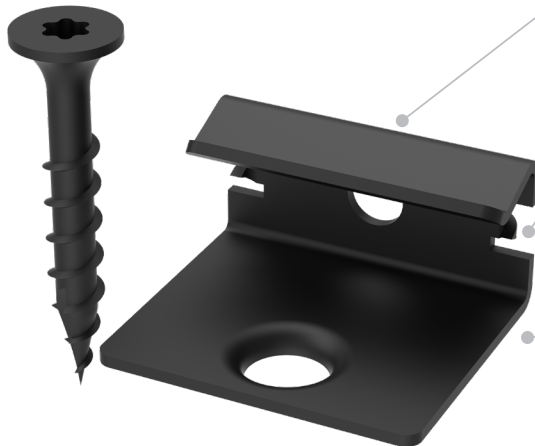

Grip-Rite Ninja® Starter Clip is your time-saving solution for ledger board installation.

Grip-Rite Ninja® Starter Clips are the perfect companion to the hidden deck clip. Fabricated from the same high quality black oxide coated #316 Stainless Steel, the Grip-Bite™ teeth hold grooved deck boards in place. Use on the first and last row of decking for a long-lasting, secure hold.

With the Grip-Rite Ninja® Starter Clip, you can leave frustration behind and get the job done right in less time.
